CIRCOLO ANZIANI

"The Place to be Together"

The Circolo Anziani was founded 12 years ago by a small group of people who had the idea to organize a Multicultural Senior Citizens' Club to provide them with a second home.

In the last few years our club has been going from strength to strength. At the moment we have over 400 members which we believe is the largest in Victoria.

We have such a large membership because we create a happy family environment where we can enjoy a high quality of life together. We wouldn't be doing any of this if we did not believe we could leave a positive legacy for our Circolo Anziani.

We help Seniors stay active, stay young, bring one, bring all. Circolo Anziani turning in but not turning out.

Many times when Seniors get old they find the social world shrinking. A simple thing as a smile in today's world has become a luxury which only fewer people can afford. But at Circolo Anziani we will put a smile on your face.

Finally, Seniors should be influencing and encouraging other Seniors to get involved, so come along and meet us. We need each other. We need you.
